

Norfolk & Suffolk Picture Rally 2021

Please do not start this rally until the Corvid rules allow you to do so

Hi All, sorry to say that due to all the restrictions we have been unable to get you all 32 landmarks this year having only enough time to do the Norfolk ones, however we intend to visit Suffolk in the future and we can then post those landmarks on here.

Lets hope we will soon be allowed a bit more freedom, in the meantime obey whatever rules are in force and be careful out there.

Please fill in the entry form and email it to me or use the post office.

Mick.
