

Picture Rally Norfolk and Suffolk 2019

Overview

This rally is a non competition.

You will visit landmarks in Norfolk & Suffolk, there are 32 listed but it's up to you how many you do, there are points awarded purely for your own information, everybody who enters and return their pictures will receive a participation certificate on which will be recorded the points achieved.

There are bonus questions with each landmark and the answers can be found nearby so you may have to search the churchyard or village to find the answers. Answers to these questions on their own without the landmark pictures do not count.

You will need to do some research to find the location of the landmarks and to be able to answer the questions, this can be done on the internet or by visiting a library or by using local knowledge (ask people) good large scale maps will be a great help. Internet answers are not always the same as we find at the site so only the answer we have will count.

You do not need to visit all the landmarks to take part so please return your pictures even if you only manage a few as it gives us valuable feedback.

You must take a photograph of each landmark you visit and show your bike or crash helmet in the picture, this proves that the picture has not been sourced from the internet.

If you don't feel it's safe to park at the landmark then park safely and walk to the landmarks site.

Please do not take your bike onto private land without gaining permission and please respect the countryside code.

You can visit these landmarks in any order you choose so you can probably fit some in with other trips you have planned.

Hope this all makes sense if not just ask Mick Long.

This non competition runs from April 1st 2019 until November 30th 2019 all pictures to be returned by 8th December 2019.

You may send your photographs to me via E-MAIL at longhonda400@gmail.com or by SNAIL MAIL at 26. Ashleigh Gardens, Wymondham, Norfolk. NR18 0EX. Or in person at that address.
